Handwritten Latin text in a cursive script, likely a legal or administrative document. The text is partially obscured by a color calibration strip and a ruler. The strip includes labels such as 'UB Rostock 0514000', 'the scale towards document', and 'Image Engineering Scan Reference Chart T1E23 Serial No. 309'. The ruler shows measurements in millimeters and inches. The text on the document includes phrases like 'In xpo sibi hinc' and 'Habeo'.
