Lacrumæ, O tristis suspiria  
nuncia cordis!

Heu quanta humanam rotat  
inconstantia vitam!

Quanta volubilitas, ac mille pericula ver-  
sant!

Ut quæ firma putes, quæ florida, marcida  
fiant.

O lacrumæ, ô tristis suspiria nūcia cordis!

Qualis ad imitē violarum purpura vētum

Deponit moribunda caput, mox succu-

ritur

Imoritur terræ foliis; qualisve Rosarum

Expirat candor, subiti quem frigoris aura

Læsit decutiens; Afflatu sic cadis uno

Divisum est pectus, superat vix unica vitæ,  
Particula. Hoc certum. Sed perpendenda

Maritis

Cætera relinquo, non vox, non verba sus-  
piria, O perfunt.

O lacrumæ, ô tristis suspiria nūcia cordis!  
Illi parta quies in fuso sanguine Christi,

Nos at adhuc tenebris agimus, vitamque  
misellam

Ducimus, atra fores pulsabit funere
