ANDREAS GOETZSCHE AMMON,

Rotenus ad Panim tendens Viadrumq; vocantem,
Dum Varnum Nebelamq; relinquo,
BUCHIAE contracta domus me poscit honores
BERGIA quondam fida columna.
Flebile honoris opus, lugubria carmina poscit
BUCHIA mortis fracta repente,
Non secus ac, qui nunc feriunt mugitibus aures
Conjurati in praelia Cauri
Eruere inter se valido audent robore quercum,
Vel summis de montibus ornum;
FRAXINUS hic ruit in sylvis, ruit esculus illic,
Nec rutis stant MONTIBUS alni.
Quid mirum, si nostra Noto & dispersa procellis
Carmina hiant, dum turbine multo
Hinc instat Notus, inde ruit streperusq; remugit
Africus, & modo parturit imbres
Humidus, amotis modo claret nubibus aether?
Si tamen hæc quid carmina possunt,
Nulla dies laudem memori illius eximet ævo.
Sed domus ista afflicta ruinâ
BUCHIA stet longum hoc tibicine sulca diuq;
Qvo Guestrovica nititur aula.
