ILLVSTRISSIMO PRINCIPI AC DOMINO, D. GEORGIO FRIDERICO MARCHIONI BRANDEBVRGENSI, STETINI, POMERANIÆ CASSVBIORVM, ET VANDALORVM DVCI, BVRGGRAVIO NORIBERGENSI, Principi Rugiæ, &c. Principi ac Domino suo clementissimo, S. P. D.

VT IN RELIQVIS ARTIBVS, QVAE LIBERALES DICVNTVR, ET REuera πυγὴ καλῶν sunt, innumerabilia lucent testimonia præsentiæ diuinæ: ita præcipuè nobilissima inter illas Musica conuincit sanas mentes, hanc totam mundi machinam non casu extitisse, sed & esse Deum conditorem, & conseruatorem sui operis, et omnes res utiles generi humano ab eo originem habere, & creatorem ostendere. Etsi enim in Musica causæ non satis indagari possunt, cur certarum proportionum quasi concursus efficiant dulcem harmoniam, et cur talem concentum animi hominum auidè arripiant, suauiterq; adficiantur: Tamen certò inde constat, cum mens humana quiddam harmonicum sit, & amans proportionum, & ordinis, in Deo fore perfectissimam harmoniam, & omnium proportionum quandam absolutam perfectionem, quarum tanquam igniculi quidam in mentes hominum deriuati, testimonium de Deo dicunt.

Vtilitas etiam huius artis tanta est, ut & Deum autorem arguat, & omnes honestas mentes non immeritò ad sui cognitionem inuitare debeat.

Cum enim propter admirabilem animæ cum numeris cognationem numerosa facilius arripiantur, seruit illa sic propagationi doctrinæ, includens dulcissimos Psalmos & alias religionis nostræ partes, numeris, & addens harmoniam conuenientem, quò altius illæ animos hominum penetrent, & tenacius infigantur. Hinc existimo factum, ut sancti patres semper sacris ritibus adhibuerint Musicam, & Prophetæ oracula diuinitus tradita, cantu, & numeris compræhenderint, sicut hoc multi dulcissimi Psalmi testantur, quos diuinus ille Musicus Dauid Cythara lusit. Non enim memoria tantum iuuatur Musica, sed eius præcipua quædam, & admirabilis uis est in ciendis affectibus, ut animi hominum tranquilli redditi, tantum consideratione eius rei occupentur, quam musica proponit.

Et quantum alioquin hæc ars ualeat, ad mouendos animos hominum, ante oculos interq; manus est. Fingitur Orpheus cantus suauitate traxisse arbores & saxa, quo figmento quid aliud uoluerunt significare homines sapientes, quàm animos barba-

 ros & agre-

ros & agreſtes reddi Muſica manſuetiores, & humaniores: & triſtes & curis occupatos, tranquillos & hilares?

Sic fortiſſimus ille Græcorum Achilles dicitur cantu Cytharæ leniſſe ægritudinem animi, quam acceperat ex conſideratione leuitatis, & ſtoliditatis Agamemnonis eripientis ipſi ſuam Bryſeida. In ſacris literis etiam malus ſpiritus dicitur receſſiſſe à Saule, quotieſcunq; Dauid Cythara luſerit.

Et in uniuerſum Muſica honeſtum quoddam ἀναπαιστικὸν eſt, quo animi ſegnes, triſtes & proſtrati, animentur quaſi, reficiantur, & attollantur, & rurſus exultantes conueniente harmonia reuocentur & retineantur intra ſepta iuſtæ moderationis, aut etiam ad dolorem & commiſerationem quandam flectantur.

Cum igitur tanta ſit præſtantia & utilitas huius artis, digna omnino eſt cuius patrocinium magni principes, & alij uiri ſapientia & uirtute præſtantes ſuſcipiant, & in qua liberalia ingenia ſe occupent & exerceant. Non is ſum, ut de dignitate huius artis mihi iudicium ſumam, tantum hoc fateor, me eam ſemper amaſſe plurimùm, & educatum inter Muſicos Illuſtriſſimi Principis Ducis Saxoniæ, à prima ætate me in ea exercuiſſe, præcipuas etiam Flandriæ urbes peragrare me non piguit, ut ipſos artifices audirem, & ab eis diſcerem.

Has autem cantiones compoſui, non in hoc ut ederentur, ſed ut & meipſum exercerem hoc ſtudio, quo maxime delector, & amicis quibuſdam gratificarer. Sed plurimi honeſti uiri, quorum iudicia meritò magni facio, omnino cenſuerunt eas pluribus communicandas eſſe: Et, cum Illuſtriß. Celſitudo tua, inter reliquas curas adminiſtrandæ Reipub. etiam tutelam artium liberalium, & præcipuè Muſices complectatur, & iam chorum Muſicum inſtauret, hortatores mihi fuerunt, ut eas ſub tuæ Illuſtriſſimæ Celſitudinis auſpicio ederem, ac T. C. collegio Muſicorum quaſi conſecrarem. Etſi autem meo me pede metiebar, & ſatis intelligebam, me non eſſe eum, qui aliquid dignum tanto Principe componere poſſem, tamen uicit tandem eorum opinio. Tibi igitur Illuſtriſſime Princeps has cantiones dedico, & inſcribo, precorq; uehementer, ut T. I. C. eas pro ſua Clementia, animo placido accipere uelit. Quod ſi fiet, ut ſpero, addet mihi T. I. C. calcar, ut diligentius hæc ſtudia colam, & aliquando elaboratius aliquid edam. Bene & feliciter ualeat tua Celſitudo.

Tuæ Illuſtriß. C. addictiß.

Iacobus Meilandus.

ILLVSTRISSIMO PRINCIPI AC DOMINO, D. GEORGIO FRIDERICO MARCHIONI BRANDEBVRGENSI, STETINI, POMERANIÆ CASSVBIORVM, ET VANDALORVM DVCI, BVRGGRAVIO NORIBERGENSI, Principi Rugiæ, &c. Principi ac Domino suo clementissimo, S. P. D.

VT IN RELIQVIS ARTIBVS, QVAE LIBERALES DICVNTVR, ET REuera πηγὴ κάλλων sunt, innumerabilia lucent testimonia præsentiæ diuinæ: ita præcipuè nobilißima inter illas Musica conuincit sanas mentes, hanc totam mundi machinam non casu extitisse, sed & esse Deum conditorem, & conseruatorem sui operis, et omnes res utiles generi humano ab eo originem habere, & creatorem ostendere. Etsi enim in Musica causæ non satis indagari possunt, cur certarum proportionum quasi concursus efficiant dulcem harmoniam, et cur talem concentum animi hominum auidè arripiant, suauiterq; adficiantur: Tamen certò inde constat, cum mens humana quiddam harmonicum sit, & amans proportionum, & ordinis, in Deo fore perfectißimam harmoniam, & omnium proportionum quandam absolutam perfectionem, quarum tanquam igniculi quidam in mentes hominum deriuati, testimonium de Deo dicunt.

Vtilitas etiam huius artis tanta est, ut & Deum autorem arguat, & omnes honestas mentes non immeritò ad sui cognitionem inuitare debeat.

Cum enim propter admirabilem animæ cum numeris cognationem numerosa facilius arripiantur, seruit illa sic propagationi doctrinæ, includens dulcißimos Psalmos & alias religionis nostræ partes, numeris, & addens harmoniam conuenientem, quò altius illæ animos hominum penetrent, & tenacius infigantur. Hinc existimo factum, ut sancti patres semper sacris ritibus adhibuerint Musicam, & Prophetæ oracula diuinitus tradita, cantu, & numeris compræhenderint, sicut hoc multi dulcißimi Psalmi testantur, quos diuinus ille Musicus Dauid Cythara lusit. Non enim memoria tantum iuuatur Musica, sed eius præcipua quædam, & admirabilis uis est in ciendis affectibus, ut animi hominum tranquilli redditi, tantum considerationi eius rei occupentur, quam musica proponit.

Et quantum alioquin hæc ars ualeat, ad mouendos animos hominum, ante oculos interq; manus est. Fingitur Orpheus cantus suauitate traxisse arbores & saxa, quo figmento quid aliud uoluerunt significare homines sapientes, quàm animos barbaros & agre-

ros & agreſtes reddi Muſica manſuetiores, & humaniores: & triſtes & curis occupatos, tranquillos & hilares?

Sic fortiſſimus ille Græcorum Achilles dicitur cantu Cytharæ leniſſe ægritudinem animi, quam acceperat ex conſideratione leuitatis, & ſtoliditatis Agamemnonis eripientis ipſi ſuam Bryſeida. In ſacris literis etiam malus ſpiritus dicitur receſſiſſe à Saule, quotieſcunq; Dauid Cythara luſerit.

Et in uniuerſum Muſica honeſtum quoddam ἀναλητήριον eſt, quo animi ſegnes, triſtes & proſtrati, animentur quaſi, reficiantur, & attollantur, & rurſus exultantes conueniente harmonia reuocentur & retineantur intra ſepta iuſtæ moderationis, aut etiam ad dolorem & commiſerationem quandam flectantur.

Cum igitur tanta ſit præſtantia & utilitas huius artis, digna omnino eſt cuius patrocinium magni principes, & alij uiri ſapientia & uirtute præſtantes ſuſcipiant, & in qua liberalia ingenia ſe occupent & exerceant. Non is ſum, ut de dignitate huius artis mihi iudicium ſumam, tantum hoc fateor, me eam ſemper amaſſe plurimùm, & educatum inter Muſicos Illuſtriſſimi Principis Ducis Saxoniæ, à prima ætate me in ea exercuiſſe, præcipuas etiam Flandriæ urbes peragrare me non piguit, ut ipſos artifices audirem, & ab eis diſcerem.

Has autem cantiones compoſui, non in hoc ut ederentur, ſed ut & meipſum exercerem hoc ſtudio, quo maxime delector, & amicis quibuſdam gratificarer. Sed plurimi honeſti uiri, quorum iudicia meritò magni facio, omnino cenſuerunt eas pluribus communicandas eſſe: Et, cum Illuſtriſs. Celſitudo tua, inter reliquas curas adminiſtrandæ Reipub. etiam tutelam artium liberalium, & præcipuè Muſices complectatur, & iam chorum Muſicum inſtauret, hortatores mihi fuerunt, ut eas ſub tuæ Illuſtriſſimæ Celſitudinis auſpicio ederem, ac T. C. collegio Muſicorum quaſi conſecrarem. Etſi autem meo me pede metiebar, & ſatis intelligebam, me non eſſe eum, qui aliquid dignum tanto Principe componere poſſem, tamen uicit tandem eorum opinio. Tibi igitur Illuſtriſſime Princeps has cantiones dedico, & inſcribo, precorq; uehementer, ut T. I. C. eas pro ſua Clementia, animo placido accipere uelit. Quod ſi fiet, ut ſpero, addet mihi T. I. C. calcar, ut diligentius hæc ſtudia colam, & aliquando elaboratius aliquid edam. Bene & feliciter ualeat tua Celſitudo.

Tuæ Illuſtriſs. C. addictiſs.

Iacobus Meilandus.

ILLVSTRISSIMO PRINCIPI AC DOMINO, D. GEORGIO FRIDERICO MARCHIONI BRANDEBVRGENSI, STETINI, POMERANIÆ CASSVBIORVM, ET VANDALORVM DVCI, BVRGGRAVIO NORIBERGENSI, Principi Rugiæ, &c. Principi ac Domino suo clementissimo, S. P. D.

VT IN RELIQVIS ARTIBVS, QVAE LIBERALES DICVNTVR, ET REuera πανὺ καλῶς sunt, innumerabilia lucent testimonia præsentiæ diuinæ: ita præcipuè nobilissima inter illas Musica conuincit sanas mentes, hanc totam mundi machinam non casu extitisse, sed & esse Deum conditorem, & conseruatorem sui operis, et omnes res utiles generi humano ab eo originem habere, & creatorem ostendere. Etsi enim in Musica causæ non satis indagari possunt, cur certarum proportionum quasi concursus efficiant dulcem harmoniam, et cur talem concentum animi hominum auidè arripiant, suauiterq; adficiantur: Tamen certò inde constat, cum mens humana quiddam harmonicum sit, & amans proportionum, & ordinis, in Deo fore perfectissimam harmoniam, & omnium proportionum quandam absolutam perfectionem, quarum tanquam igniculi quidam in mentes hominum deriuati, testimonium de Deo dicunt.

Vtilitas etiam huius artis tanta est, ut & Deum autorem arguat, & omnes honestas mentes non immeritò ad sui cognitionem inuitare debeat.

Cum enim propter admirabilem animæ cum numeris cognationem numerosa facilius arripiantur, seruit illa sic propagationi doctrinæ, includens dulcissimos Psalmos & alias religionis nostræ partes, numeris, & addens harmoniam conuenientem, quò altius illæ animos hominum penetrent, & tenacius infigantur. Hinc existimo factum, ut sancti patres semper sacris ritibus adhibuerint Musicam, & Prophetæ oracula diuinitus tradita, cantu, & numeris compræhenderint, sicut hoc multi dulcissimi Psalmi testantur, quos diuinus ille Musicus Dauid Cythara lusit. Non enim memoria tantum iuuatur Musica, sed eius præcipua quædam, & admirabilis uis est in ciendis affectibus, ut animi hominum tranquilli redditi, tantum considerationi eius rei occupentur, quam musica proponit.

Et quantum alioquin hæc ars ualeat, ad mouendos animos hominum, ante oculos interq; manus est. Fingitur Orpheus cantu suauitate traxisse arbores & saxa, quo figmento quid aliud uoluerunt significare homines sapientes, quàm animos barbaros & agre-

ros & agreſtes reddi Muſica manſuetiores, & humaniores: & triſtes & curis occupatos, tranquillos & hilares?

Sic fortißimus ille Græcorum Achilles dicitur cantu Cytharæ lenijſſe ægritudinem animi, quam acceperat ex conſideratione leuitatis, & ſtoliditatis Agamemnonis eripientis ipſi ſuam Bryſeida. In ſacris literis etiam malus ſpiritus dicitur receßiſſe à Saule, quotieſcunq; Dauid Cythara luſerit.

Et in uniuerſum Muſica honeſtum quoddam ἀνάπαυμα eſt, quo animi ſegnes, triſtes & proſtrati, animentur quaſi, reficiantur, & attollantur, & rurſus exultantes conueniente harmonia reuocentur & retineantur intra ſepta iuſtæ moderationis, aut etiam ad dolorem & commiſerationem quandam flectantur.

Cum igitur tanta ſit præſtantia & utilitas huius artis, digna omnino eſt cuius patrocinium magni principes, & alij uiri ſapientia & uirtute præſtantes ſuſcipiant, & in qua liberalia ingenia ſe occupent & exerceant. Non is ſum, ut de dignitate huius artis mihi iudicium ſumam, tantum hoc fateor, me eam ſemper amaſſe plurimùm, & educatum inter Muſicos Illuſtriſſimi Principis Ducis Saxoniæ, à prima ætate me in ea exercuiſſe, præcipuas etiam Flandriæ urbes peragrare me non piguit, ut ipſos artifices audirem, & ab eis diſcerem.

Has autem cantiones compoſui, non in hoc ut ederentur, ſed ut & meipſum exercerem hoc ſtudio, quo maxime delector, & amicis quibuſdam gratificarer. Sed plurimi honeſti uiri, quorum iudicia meritò magni facio, omnino cenſuerunt eas pluribus communicandas eſſe: Et, cum Illuſtriß. Celſitudo tua, inter reliquas curas adminiſtrandæ Reipub. etiam tutelam artium liberalium, & præcipuè Muſices complectatur, & iam chorum Muſicum inſtauret, hortatores mihi fuerunt, ut eas ſub tuæ Illuſtrißimæ Celſitudinis auſpicio ederem, ac T. C. collegio Muſicorum quaſi conſecrarem. Etſi autem meo me pede metiebar, & ſatis intelligebam, me non eſſe eum, qui aliquid dignum tanto Principe componere poſſem, tamen uicit tandem eorum opinio. Tibi igitur Illuſtrißime Princeps has cantiones dedico, & inſcribo, precorq; uehementer, ut T. I. C. eas pro ſua Clementia, animo placido accipere uelit. Quod ſi fiet, ut ſpero, addet mihi T. I. C. calcar, ut diligentius hæc ſtudia colam, & aliquando elaboratius aliquid edam. Bene & feliciter ualeat tua Celſitudo.

Tuæ Illuſtriß. C. addictiß.

Iacobus Meilandus.
